All Nobles must have 2010 dues card to march in any Bektash parade.

POTENTATE "2010" EDDY WHITCOMB

Hope that you all are having a great summer.

Recorder, Ill. James Chase, PP resigned as Recorder—we wish him the best of luck in his future.

We have a new Recorder, his name is Joel Weinstein, stop by the office and say hello.

I had the pleasure of installing the Chrome Domes Club it looks like they will have a good fun time.

Richard Melvin and I went to Chocorua Lodge in Holderness and we showed a film on the hospital to 30-35 Masons. We thank you for a fine dinner.

Chief Rabban, Rick Perry and his Lady Linda and my Lady Barbara and myself went to Brockville, OT for the Tunis visitation; a great time was had. They had a parade and there was hardly a soul on the sideline.

Went to the parade in Hillsboro, NH with the Drum Corps - they did a great job as usual.

We had a bus tour to the Boston Burns Hospital. There were 50 Nobles and Ladies. I think everybody had a good trip.

The Bektash representatives went to the Shrine Imperial meetings in Toronto, Canada. It was very hot and expensive. Some of us saw the Queen of England.

We had a good showing at Strawberry Banke for Mason's Day—there were a lot of people there.

It is my pleasure to appoint Phil Mansfield as Transportation Coordinator.

This year's Yard Sale went very well - Thanks to our Chief Rabban and his crew.

Don't forget Nobles, we need new Shriners—ask a Mason to join with us. They are our future.

Yours in the Faith
Eddy W Whitcomb

RECORDER'S CORNER

I was asked by Ill. Eddy Whitcomb to fill in as Recorder for the remainder of 2010. I would like to thank Ill. Eddy for the confidence he has placed in me. With your support I look forward to supporting our Divan and all of the Nobility as a whole. The Recorders position is one where you are involved in all aspects of the operation of our Shrine Center. My main responsibilities are to make sure that the day-to-day operations run efficiently while insuring that we serve our membership effectively.

Many of you have either called or dropped by to say hello. I really appreciate the support and good wishes that I have received thus far.

On another note; with a building as large as ours, it is and continues to require a lot of organization, preventive maintenance and general housekeeping. To keep expenses in line we would appreciate your help to complete a few projects we have identified. Give us a call if you would like to help. Working together we were able to complete several old and new projects in the last few weeks. A special thanks to all those who helped around the Center in the last few weeks.

In the days to come I would hope that you will support your Shrine Center, not by just paying your dues but by attending some of the great functions that are planned along with contributing your time when either asked or by volunteering when you see that help is needed. This is your Shrine Center. Get involved, you will love it!

I look forward to the remainder of this year and beyond as your Recorder. It is a fun position, full of challenges and rewards. If you have any questions or comments please give me call at either the Shrine Center, (603)-225-5372 or on my cell at (603) 566-9972. Thanks.

Yours in the Faith,
Joel Weinstein
Recorder

NOTES FROM THE BEKTASH DRUM AND BUGLE CORPS

♫ Many thanks to Lady Lynn and Noble Alan Tiede for hosting the Drum Corp's 21st Annual Potluck Picnic. They provided a lovely setting for 50 Corps members and their wives to share in the feast. Thank-you so very much. Kudos!

♫ The Corp's attendance at the parades has been commendable. We are running between 23 to 27 at each parade and that makes a great difference in our sound. Thanks to the Nobles from our Leader Ron Perry.

♫ Now that you have celebrated our free weekend, July31/Aug. 1, it is back to marching. We have four parades in August.

August 7, Saturday—Maple Sugar Bowl—Windsor , Vt.

August 14, Saturday - Old Home Days - Loudon, NH

August 21, Saturday - Old Home Days - Londonderry, NH
9:30am formation.

August 28, Saturday - Old Home Days - Gilford, NH

THE POINT WITHIN THE CIRCLE

By

Past Potentate Ed Daneault

Who would have thought that we would be in August all ready !!

Time goes on and no matter what, we can't stop it. Good or bad, time stops for no man or women for that matter. We all at one time or another, look back on time and remember the good old days. Days when we were younger and full of life as well as other things. The people that we were friendly with and spent time with. Enjoyed the company of those around us and all in all had a great time growing up. If you sit back, close your eyes and think about something or someone in the past that meant a great deal to you. Made you laugh and giggle once in a while. Gave you a feeling of true enjoyment to be with. Someone that would hold your true secrets and not tell. A true friend or loved one. We may think that those days are gone. Well, time does pass and some have left to another time and place.

But, we can stop time. By sitting back and remembering the days past. We can make yesterday today. You only need to reflect on the good time and the people that made it good. Think about it real hard and you may even get a little smile on your face. For the ones that have passed on, we remember and miss. The ones we still have to enjoy are just around the corner. Even its only a phone call away.

Its always a good time to sit back and remember the good times, the good old days and those we enjoyed being with.

For those of us with Grand Kids, Maybe its time to make some good old days for them. So they will one day sit back and remember you...

Remember, good memories are almost as good as being there.

"Thanks for the memories"

MONTREAL HOSPITAL UPDATE

A new Building for Shriners Hospitals for Children®- Canada in Montreal!

Montreal, Thursday, July 15, 2010 – This morning, Shriners Hospitals for Children® leadership along with key partners assembled to give a progress report on the construction plans for a new hospital facility in Montreal. During the press conference held at the current Montreal hospital, Douglas Maxwell, Chairman of the Board of Trustees of Shriners Hospitals for Children® confirmed the construction of a new hospital on the Glen Campus adjacent to the Montreal Children's Hospital (MCH) of the McGill University Health Centre (MUHC). Preliminary renderings of the new Hospital were revealed to media and assembled supporters of the Montreal institution in the presence of Health Minister Yves Bolduc, Normand Rinfret Associate Director General of the MUHC and Richard Deschamps Member of the Executive Committee, Responsible for Economic Development, Infrastructure and Roads - City of Montreal.

Following his report to Shriners during the 136th Imperial Session held in Toronto last week, Douglas Maxwell, Chairman of the Board of Trustees of Shriners Hospitals for Children® announced that Shriners Hospitals for Children will address three hospital structures this year: Los Angeles, St. Louis and Montreal. Mr. Maxwell further explained that in the past few months, since the MUHC has announced their choice of consortia and the beginning construction, the planning process and collaborative effort between Shriners Hospitals for Children and the MUHC had moved rapidly. "The Canadian Hospital has been given the green light to go ahead with planning, fundraising and construction," stated Mr. Maxwell.

Robert Drummond, M.D., Chairman of the Board of Governors at Shriners Hospitals for Children®-Canada announced that “the new hospital will have 22 single patient rooms, 4 operating rooms as well as 25,000 square feet dedicated to research”. The new space will allow the hospital to continue to improve care for patients and their parents by providing a new environment that will enhance family focused care. Close proximity to the MCH with whom there is and always has been extensive collaboration will facilitate shared services. Increased space will allow for state of the art rehabilitation facilities which will include a gait laboratory. “We foresee that this new location will allow us to continue to recruit and retain some of the best pediatric orthopaedic surgeons, researchers and allied health care professionals so that we may continue to offer the best possible care to children from Quebec, Canada and around the world.”

“This announcement is not only about a new hospital but also the enrichment of exceptional pediatric orthopaedic care and research, and the strengthening of our longstanding ties with this fine institution’s professionals and patients,” noted the Hon. Arthur T. Porter, MUHC Director General and CEO. “For me, personally, as a Mason for 35 years and a Shriner for over 20—most recently as a proud member of Karnak in Montreal—this milestone embodies the spirit of fraternity upon which freemasonry was developed more than three hundred years ago.”

“We have known for some time that a new hospital was needed and we have focused our efforts on making this become a reality for our patients” said former Chairman of the Board at Shriners Hospitals for Children®-Canada, Gary Morrison. He went on to explain “even with the expansion of the hospital in the mid 1980s services have simply outgrown the current facilities. Our outpatient and day surgery areas simply no longer adequately meet the demand and our research unit has also outgrown its space.” With certain patient populations who require extensive physiotherapy and occupational therapy on the rise (such as those with cerebral palsy and sports injuries) as well as new areas of expertise and research being developed the hospital needs to expand. Mr. Morrison concluded “thanks to our dedicated and expert staff we are able to offer the best care to our current patients. However, a growing demand for our specialized care and services and changing patient needs make this move more than necessary.”

"Our government fought hard, lead by our Prime Minister, to ensure that the hospital stayed at home, here in Quebec, when other proposals were made. Our government has met its commitments to Shriners Hospitals for Children®-Canada by offering the land to build the new hospital. The construction project of the Shriners Hospital is part of the investments we have made to upgrade our infrastructure in the health care system, to provide the best care to Quebecers, and doing so in a quality environment”, concluded Health and Social Services Minister, Dr. Yves Bolduc.

"The presence of a Shriners Hospitals for Children® in our city has always been a great source of pride. This is not just another hospital. It is a great ambassador for Montreal and for Quebec. The development of the new Shriners Hospital confirms the leadership of our city in the areas of health and biomedical science. We are pleased to see this project move forward due to the collective effort of all partners," declared Richard Deschamps, Member of the Executive Committee, and Responsible for Economic Development, Infrastructure and Roads of the City of Montreal.

MINI KAR PATROL
MASONS DAY AT STRAWBERY BANKE

Masons Day at Strawberry Bank, July 10th was a great day in Portsmouth, NH. Starting at the Grand Lodge. Opening ceremonies was a ribbon cutting with 3 of the mini kars driving to the open field. Gil, Henry and Bob. As in the picture we took 3 of our grand children and they all had a great time. One of our own from the mini kars, Scott Willard did a great job putting it all together. He also is in the other picture with Ralph Currier. Sunday we had a parade in Hillsboro, NH at the balloon festival. So it was a very busy weekend. “Hey guys” we’re not seeing a lot of you at the parades. When we are getting paid to be in the parade to raise money for the Shrine Hospital $500.00 minimum, they are expecting more then they are seeing. We are a great group, lets keep it together. We should be seeing more than 6 or 7 out of 18 Kars.

ODE TO A VOLUNTEER

Many will be shocked to find
When the Day of Judgment nears
That there's a special place in heaven
Set aside for volunteers,

Furnished with recliners,
Satin couches, and footstools,
Where there's no committee chairman
No group leaders or carpools

No eager team that needs a coach
No bazaar with a bake sale,
There will be nothing there to staple;
Not one thing to fold or mail,

Telephoning will be outlawed ...
But a finger snap will bring
Cool drinks and gourmet dinners
And treats fit for a King.

You ask who'll serve these privileged few
And work for all they're worth?
Why all those reaped the benefits,
And not once volunteered on earth.

BEKTASH AIDES UNIT

I hope everyone is enjoying the hot summer we are having so far.

The Shrine football game and parade will be taking place in Windsor, VT on August 7th. We could use some Aides to drive our visiting dignitaries in the parade before the game. Any Shriner that has an antique or collectible car or convertible and can get it up to Windsor by 10:00 am on Saturday, August 7th please call Bill Arvidson or give a call to the Mosque and let them know you will be there. I want to thank the Aides who have already signed up. We could use more cars and drivers.

The annual Aides cookout will take place on August 14th from 12:00 pm until 5:00 pm. Again, it will be held at Bill and Bunny Arvidson's home at 260 Shore Dr. in Salem, NH. There will be hamburgers, hot-dogs, sausage, chicken, steak tips, and all the fix-ins to go along with them. As a special surprise, we will have our own DJ, Bud Valcourt, to provide music and commentary for your listening and dining pleasure. Bring your lawn chairs and a towel and bathing suit if you want to go in for a swim in the lake. We are planning on having available a jet ski, boat rides, and tubes for the most daring of the attendees. A horseshoe tournament will be held.

Soft drinks and water will be provided. Bring your own beer if that is your choice. A small donation of $5.00 per person or $10.00 per family is requested.

A Mason is a man who believes in God and practices that belief. A Mason is a man who believes in brotherly love and practices his belief. A Mason is a man who uses the symbols of the builder to set for himself and his Brethren a code of life which refines his thoughts.

A Shriner is a Mason employing all the virtues and characteristics just mentioned.

The Shrine stands for all of Masonry and for wholesomeness in life. It stands for letting in the sunshine on discouragement, grief and woe and it would substitute hope for despair. The Shrine is made up of the finest type of man in every community, men who are glad to know, men who travel by preference along the sunny side of the street and who play a fair game all the time. They sow in kindness to reap in friendship. Membership in the Shrine gives us the right to wear its emblem and to participate in its good works as well as its pleasures.

The general public identifies Shriners by their red Fez, gorgeous costumes and parades. However, behind their fun and frolic is a burning desire to be of help to orthopediacally impaired and burned children, regardless of race, creed or color.

Every Mason should have a desire to become a member of the Shrine, and a member of the worlds greatest Philanthropy: "Shriners Hospitals for Children".

To the promised land our friends have gone,
To the land of perfect rest;
Their work is done–and the setting sun
Has sealed their life's request.
They have left this earthly strand,
For the house beyond the sea,
Though the past is gone, they will still live on
To us all–Sweet in our Memory.
